

## **DWT MANDALINA EDUCATION SCHOLARS ANNOUNCEMENT**

Our agency, which has been operating since 2000, will continue to provide 10 students for the free scholarship that we started with the aim of supporting the students who are continuing their education successfully in the period of 2018-2019.

The documents required for a scholarship application and the circumstances in which the payments will be made and the payments will be canceled are listed below.

### **Documents Required for Application \***

- Student Certificate
- Transcript

### **How to Pay Scholarships ?**

Scholarship payments will cover October-June and will be provided for 9 months.

- The scholarship of the students who have successfully completed the period that the scholarship has been granted will continue in the next semester.
- Scholarship payments will be made to the student's bank account
- If the student freezes his or her scholarship, the scholarship will be frozen and the scholarship will continue if the semester leave is over or the registration is renewed.
- With student exchange programs, scholarships for students who go abroad for a certain period are canceled during the time they are abroad. Scholarship payment starts again after the student returns from abroad.

### **Situations in which scholarship payments will be cut off**

- Notifying that you do not want to continue to receive scholarships,
- Those who are interrupted and / or graduated from university,
- Student exchange programs with abroad,
- Freezing the registration or receiving the term leave,
- The period or the class who makes the rematch,

the scholarship provided to students will be terminated.
